**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to our small trucking business where major carriers don't provide fast reliable internet.

Competition is the American way and to limit small independent providers in favor of large corporations like AT&T is not what Americans want.

Please do not grant the petition to AT&T.
